Re: April 10, 1989 visit to  
Collierville

Dear Ms. Barnett:

This letter is further to Mr. Tobin's letter of April 3 and to confirm our telephone conversation this afternoon that you and two representatives of ATSDR are authorized to visit Carrier's plant site on Monday, April 10, 1989 in order to inspect the site and surrounding area, sketch the site, and photograph the premises. As we discussed, we request copies of any sketches made and photographs taken. Additionally, if any confidential business information is disclosed, we do intend to assert a claim for business confidentiality under 40 C.F.R. Part 2.

I understand from our discussion that you may not need to enter the plant proper, so I think the likelihood of business confidentiality becoming an issue is small.

Sincerely,

Russell V. Randle
